Heal Me

Ronan Keating

Heal me, steal me
Feel me, heal me
When things don't turn out right
And it feels like you lost the fight
When things don't work out quite the way
Friend you can look my way
Oh, let's start thinking with our hearts
Then this world, can make a new start, start
Why won't you heal me?
Love, won't you steal me?
Into the night, feel me, heal me
If there's been a change of plans
Someone to let go of your hand
When things ain't looking quite the way
You've got a place to stay
Oh, let's start thinking with our hearts
Then this world, can make a new start, start
Why won't you heal me?
Love, won't you steal me?
Into the night, feel me, heal me
And there ain't no reason for us
To lose our faith in this world
If only us people on earth can just change
The love will unfurl, unfurl
Heal me, love, won't you steal me?
Into the night, feel me, heal me
If they stole your rights
And you're lost in the night
When skies don't look bright
My friend, don't lose sight
When you just can't fight no more
That's when I need you
I really need you, I really need you
Heal me, steal me
Feel me, heal me
Heal me, heal me
Heal me, heal me
Heal me, heal me
