

Love Jah

Dennis Brown

Let's give thanks and praises all to Him
Because we love Jah, and the world knows to
Let's give thanks and praises all to Him
Because we love Jah, and the world knows to Love Jah, you got to love Jah
You got to love Jah and live
Love Jah, well, you got to love Jah
You got to love Jah and live In times of trouble, He alone you can call upon
He'll be there to assist you
In times of need or in times of trouble
He'll be there to guide you So love Jah, you've got to love Jah
You got to love Jah and live
Love Jah, you got to love Jah
You've got to love Jah and live, yeah When you need a friend just call His name
He'll be standin' right by you
When you're hungry, feelin' sad
He'll be there to help you So love Jah, you've got to love Jah
Well, you've got to love Jah and live
Well, you've gotta love Jah and live
Ooh, love Jah, love Jah
You've got to love Jah and live
