Fellowship

Lizz Wright

Would you walk a righteous path
Without the promise of heaven
Paradise, streets paved in gold?Would you slay your sister
Your brother, man
For another man's greed?'Cause if you believe
That your God is better than another man
How we gonna end
All your suffering?'Cause if you believe
That your God is better than another woman
How we gonna end
All your suffering and strife?You believe
Great God's gonna come from the sky
Take away everything
And make everybody feel highBut if you know what life is worth
You'll look for your's here on earth
It's at handIf you believe
That your god is better than another man
How you gonna end
All this suffering?If you believe
That your God is better than another woman
How we gonna end
All this suffering and strife?Say, if you believe, if you believe
If you believe, oh, if you believe
If you believe, if you believe
If you believe, oh, if you believeMay I find
Forgiveness and love
(I believe)
Forgiveness and love
(Let faith guide you)Forgiveness and love
('Cause I believe that)
Forgiveness and love
(Let light guide you)Forgiveness and love
(I believe)
Forgiveness and love
(Oh, I believe)Forgiveness and love
Forgiveness and love
