I Saw Your Face

Shocking Blue

I saw your face
and I knew I needed you
and your eyes so blue
when I saw your face
I saw your face
I saw your faceI saw your face
and she turned
and my love was burned
for lady turn
just show your face
I saw your face
I saw your faceI saw your face
and your hair
so long wow, wow
I want to be around your face
just show your face
I saw your faceLyrics and music: Reggis Mull
