

# I Saw Your Face

## Shocking Blue

I saw your face  
and I knew I needed you  
and your eyes so blue  
when I saw your face  
I saw your face  
I saw your face I saw your face  
and she turned  
and my love was burned  
for lady turn  
just show your face  
I saw your face  
I saw your face I saw your face  
and your hair  
so long wow, wow  
I want to be around your face  
just show your face  
I saw your face Lyrics and music: Reggis Mull
