

# Dosed

## Rodox

I got dosed by you and  
Closer than most to you and  
What am I supposed to do  
Take it away, I never had it anyway  
Take it away and everything will be okay  
In you a star is born and  
You cut a perfect form and  
Someone forever warm  
Lay on, lay on, lay on, lay on  
Lay on, lay on, lay on, lay on  
Way upon the mountain where she died  
All I ever wanted was your life  
Deep inside the canyon, I can't hide  
All I ever wanted was your life  
Show love with no remorse and  
Climb on to your seahorse and  
This ride is right on course

This is the way, I wanted it to be with you  
This is the way, I knew that it would be with you  
Lay on, lay on, lay on, lay on  
Lay on, lay on, lay on, lay on  
Way upon the mountain where she died  
All I ever wanted was your life  
Deep inside the canyon, I can't hide  
All I ever wanted was your life  
I got dosed by you and  
Closer than most to you and  
What am I supposed to do  
Take it away, I never had it anyway  
Take it away and everything will be okay  
Way upon the mountain where she died  
All I ever wanted was your life  
Deep inside the canyon, I can't hide  
All I ever wanted was your life
