

Rusty

Slick Shoes

In this room, it's cold and dark
It feels like me, I'm far from home
In this town there is no one
The lamp is low, when can I go home? All I can do, is hold on to what I have
Why did it change, I liked it how it was?
I'm without you, the world spins without me
Without your smile, it takes a while
Nothing has changed
I wish you were here with me I can't wait until the next time
That you'll be here by my side
Is there anything I can do?
Give me a call, I love you All I can do, is hold on to what I have
Why did it change, I liked it how it was?
I'm without you, the world spins without me
Without your smile, it takes a while
Nothing has changed
I wish you were here with me
