

Don't Breathe my Air

Kill Hannah

i want will like you
today i know all my proper passionate
i'll kill you myselfshe on flowers ball
you recognize my charm
i'm just passionate
but i'll kill you myself
the cannons are heredon't breathe my air
don't breatheall life has gone absurd
one flower's broke
but i know that god is gone
i've taken his jobyou find us we're growing old
yes you're just --missing lyric--
but i know god is dead
i've stolen his house
i've claimed it myselfdon't breathe my air
