The Unforgettable Fire

Block Group

Ice, your only rivers run cold
These city lights, they shine as silver and gold
Dug from the night, your eyes as black as coalWalk on by, walk on through
Walk 'til you run
And don't look back
For here I amCarnival
The wheels fly and the colors spin through alcohol
Red wine that punctures the skin face to face
In a dry and waterless placeWalk on by, walk on through
So sad to besiege your love so head on
Stay in this time, stay tonight in a lie
I'm only asking but I, I think you knowCome on take me away
Come on take me away
Come on take me home
Home againAnd if the mountain should crumble
Or I disappear into the sea
Not a tear, no not IStay in this time, stay tonight in a lie
Ever after this love in time
And if you save your love, save it all
Save it allDon't push me too far
Don't push me too far
Tonight, tonight, tonight
