

Complicated

Bettye LaVette

She looks so simple in her way
And does the same thing everyday
 But she's dedicated
 To having her own way
 She's very complicated
YeahAnd women seem to fill her mind
 And many men in so short time
 But she's underrated
 She treats me, oh so, kind
 She's very complicated
YeahWe talk together and discuss
 What is really best for us
 She's sophisticated
 My head's fit to bust
 'Cause she's so complicated
Right, yesShe know just how to please her man
 Softer than a baby lamb
 But she's educated
 Doesn't give a damn
 She's very complicated
Right, yeahShe looks so simple in her way
 And does the same thing everyday
 But she's dedicated
 To having her own way
 She's very complicated
Right, rightCome on baby
 Yeah, come on baby
 Come on baby
