

The Twentysomething

Simple Kid

Runnin, always runnin
Man, after something
Runnin, always runnin
Man, after nothingRunnin, always runnin
Man, away from something
Runnin, always runnin
Man, away from nothingRunnin, weve been runnin
So long that theres no stopping
Runnin, runninWe are The Twentysomething
Dont know where we are going
It seems were always runnin
Cant stop 24/7
We are The TwentysomethingWe are The Twentysomething
Dont know where we are going
It seems were always runnin
Watch out, the futures coming
When you are TwentysomethingChasin, always chasin
Man, after something
Chasin, always chasin
Man, after nothingChasin, weve been chasing
So long that theres no stopping
Chasin, chasinWe are The Twentysomething
Dont know where we are going
It seems were always runnin
Cant stop 24/7
We are The TwentysomethingWe are The Twentysomething
Dont know where we are going
It seems were always runnin
Watch out, the futures coming
When you are TwentysomethingWe are The Twentysomething
Dont know where we are going
It seems were always runnin
Cant pay for things were buying
We are The TwentysomethingWe are The Twentysomething
Dont know where we are going
It seems were always runnin
Cant stop 24/7
We are The TwentysomethingWe are The Twentysomething
Dont know where we are going

It seems were always runnin
Watch out, the futures coming
When you are TwentysomethingBeep, beep
