One Beat Of Your Heart

Tigertailz

Do Wanna Get To Know
A Little More About My Personality?
Or Do You Wanna Get To Know
About This Body
That Somebody's Given Me?
Do You Want Me To Show You Baby
What Makes The World Go
Around The World
Around The WorldGive Me Just One Beat Of Your Heart
Just Enough To Take Away My Misery
Give Me Just One Beat Of Your Heart
Your Heart
One Beat Of Your HeartCome On And Cover Me
In Hot Sweet Honey
Pour Your Loving All Over Me
Come On And Talk To My Body
With Your fingers
Oh, Your Skin'z Sweet PoetryTell Me If I'm Asking
Just A Little Bit Too Much
I'm Only Asking You To Touch Me Baby
I'm Not Expecting You To Fall In Love
I'm Only Asking You ForJust One Beat Of Your Heart
