

# One Beat Of Your Heart

## Tigertailz

Do Wanna Get To Know  
A Little More About My Personality?  
Or Do You Wanna Get To Know  
About This Body  
That Somebody's Given Me?  
Do You Want Me To Show You Baby  
What Makes The World Go  
Around The World  
Around The World Give Me Just One Beat Of Your Heart  
Just Enough To Take Away My Misery  
Give Me Just One Beat Of Your Heart  
Your Heart  
One Beat Of Your Heart Come On And Cover Me  
In Hot Sweet Honey  
Pour Your Loving All Over Me  
Come On And Talk To My Body  
With Your fingers  
Oh, Your Skin'z Sweet Poetry Tell Me If I'm Asking  
Just A Little Bit Too Much  
I'm Only Asking You To Touch Me Baby  
I'm Not Expecting You To Fall In Love  
I'm Only Asking You For Just One Beat Of Your Heart
