

# With You

## Collabro

I picked up your shirts this morning  
I don't know why, I don't know why  
Mr Reynolds said to say hello  
I started to cry, I started to cry  
Every place we ever walked and  
Everywhere we talked, I miss you  
You never leave my mind  
So much of you is left behind  
You took my days with you  
Took my nights with you  
Those unfinished conversations  
We used to have still speak to me  
And I write you letters every day  
That I'll never send and you'll never see  
All this wishful thinking  
Gets me nowhere I can't stay  
Though my heart is broken  
It keeps breaking every day  
You took my hopes with you  
Took my dreams with you  
I keep thinking that you'll be calling  
Everyone says that it's all in my head  
And I can't accept it yet  
I'm not ready to just give in  
I know that I can't live in this pain  
With these feelings of regret  
I can't comprehend this  
And pretend that I don't care  
Any place I wanna be  
I wanna see you there  
You took my life with you
