

Hoodoo on Me

Albert Castiglia

Albert Castiglia Hoodoo on me

That woman`s evil she put the Hoodoo on me
that woman`s evil she put the Hoodoo on me
I couldn`t stand it no more she put a witchcraft on my door
she put the Hoodoo on me

I knew something one night now woke up in cold sweat
my heart was racing I was on the verge of death
now stop loving that girl she done place the dirty bet
she put the Hoodoo on me she put the Hoodoo on me

I should known better than let her inside my home
I should have seen the signs when I left her all alone
she had my picture on the floor and a Woodoo on my door
when i splashed burned my best pair draws
she put the Hoodoo on me she put the Hoodoo on me
oh can`t you see she put the Hoodoo on me
