

No Longer Slaves

Newsboys

You unravel me with a melody
You surround me with a song
Of deliverance, from my enemies
Till all my fears are gone
Iâ€™m no longer a slave to fear
I am a child of God
Iâ€™m no longer a slave to fear
I am a child of God
From my motherâ€™s womb
You have chosen me
Love has called my name
Iâ€™ve been born again, into Your family
Your blood flows through my veins
Oh oh ohâ€
You split the sea
So I could walk right through it
My fears were drowned in perfect love
You rescued me
So I could stand and sing
I am child of God
I am a Child of God
