

Dead Kings Rise

Misfits

Bound by battle scars
When the savages reigned
The lord of war
From his right hand man betrayed Beneath the battle field
His murdered corpse they hide
Oh, curse from hell
Avenge my death, avenge the lies Flesh they stole
But the soul is not begotten
Through the gates of hell
I'll seize my throne Feel my sword
Though the flesh be dead and rotten
Dead kings rise
For vengeance owed Bound by battle scars
When the savages reigned
The lord of war
From his right hand man betrayed Beneath the battle field
His murdered corpse they hide
Oh, curse from hell
Avenge my death, avenge the lies Flesh they stole
But the soul is not begotten
Through the gates of hell
I'll seize my throne Feel my sword
Though the flesh be dead and rotten
Dead kings rise
For vengeance owed Flesh they stole
But the soul is not begotten
Through the gates of hell
I'll seize my throne Feel my sword
Though the flesh be dead and rotten
Dead kings rise
For vengeance owed
