Wastin' My Time

Steve Strongman

I don't think you understand
That what you're doing is not so cool
You think it's funny to mess with my mind
Don't you?You know I like you so you just tease me
You give me just enough to hang on enoughWhen you're just wasting my time
You're simply wasting my time
So quit wasting my timeDo you hear me when I say?
So let me ask you something
Do you think I'm pretty or don't you?
Do you wanna get with me or not and nowOr are you just wasting my time?
You're simply wasting my time
So quit wasting my timeAnd what would you've got to say
Well, things have got to change
Say this just isn't right
I don't wanna have to fightAnd I think I'd better go
'Cause this ain't working out any more
And I'm sorry, sorry, sorryUnderstand
That what you did was just not so cool
Baby, you're just not that cool
