We Are Free

The Mowgli's

We are free if we want
Move your feet
Let's sound the drum
Come on. get up, now
And get up, Love
We are free if we wake up
Oh
I was lost out on the ledge
I prayed and prayed you'd bring me back
But before you came I lost my head
I was scared that love was dead
Love's not dead
No, Love's not dead
We are free if we want
Move your feet
Let's sound the drum
Come on. Get up now
And get up, Love
We are free if we wake up
(Move your feet. Lets sound the drum)
We are free if we wake up
Move your feet
Lets sound the drum
