

# I Wanna Get Funky

Albert King

Yeah, I wanna get down  
I wanna get funky  
I wanna get down, yeah  
I wanna get funky, yeah  
You know, I wanna get downNow listen to this  
When I leave work  
My trouble is gone  
I rush to my baby  
Who's waiting at homeI wanna get funky, yeah, yeah  
I wanna get down  
You know, I wanna get funky  
I wanna get downWhen I plays my music  
From town to town  
I can hear the people talkin'  
They're sayin' they wanna get downI wanna get funky, yeah, yeah  
You know, I wanna get down  
I'm gon' get on down, nowI wanna get funky  
I wanna get down, yeah  
I want to get funky, yeah  
Well, you know, I wanna get downWhen I leave work  
My trouble is gone  
I rush to my baby  
Who's waiting at homeI wanna get funky  
I said, you know, I wanna get down  
Listen, I wanna get funky, baby, oh baby  
I wanna get down, oh
