Always Like This

HVOB

Oh she can wait for what I can give, She...
...knows what I am but she won't believe me
Is it all ok?
Will I come off the lightest?
I can't believe
if it's always like thisI'm not whole
I'm not whole
oh you waste it, you waste it all
I'm not whole
I'm not whole
oh you waste it, you waste it all
Kept it at bay
Yes you kept your word, It's...
...there on your mouth but it's not what I heard, If...
...I follow the light that I deem the brightest
I won't believe it
it's always like thisoh you waste itI'm not whole
I'm not whole
oh you waste it, you waste it all
I'm not whole
I'm not whole
oh you waste it, you waste it all
oh you waste itI'm not whole
I'm not whole
oh you waste it, you waste it all
I'm not whole
I'm not whole
oh you waste it, you waste it all
