

White Lies (feat. Jenni Potts)

Odesza

Let's go out on the street
Let's go out on the street
 You take me away
 Faces, faces they fade
 Love, love, love stays
Here, here I'll take youCross my heart and hope to die
 If you ever catch me in a white lie
 I lay me down in the tall grass
Tangled in the weeds in my messy bedIf you come and you come
 Come and come and, if you, if youLet's go out on the street
 Bring me under the soil in the roots I toil
 Trying, crying, trying to show
 Break through watch as I grow
