

stupid

Dexta & Bredren

Night lift up the shades
Let in the brilliant light in morning
 Steady me now
For I am weak and starving for mercy
 Sleep has left me alone
To carry the weight of unravelling where we went wrong
 It's all I can do to hang on
 To keep me from falling
 Into old familiar shoes
 How stupid could I be?
 A simpleton could see
 That you're no good for me
 But you're the only one I see
 Love has made me a fool
Set me on fire and watched as I floundered
 Unable to speak
Except to cry out and wait for your answer
 But you come around in your time
Speaking of fabulous places, create an oasis
 That dries up as soon as you're gone

You leave me here burning
In this desert without you
 How stupid could I be?
 A simpleton could see
 That you're no good for me
 But you're the only one I see
 Everything changes
 Everything falls apart
I can't stand to feel myself losing control
 In the deep of my weakness I know
 How stupid could I be?
 A simpleton could see
 That you're no good for me
 But you're the only one I see
 How stupid could I be?
 A simpleton could see
 That you're no good for me
 But you're the only one I see
