For You

Jason Shay

Was looking for love in the wrong places.
Until I found you again.
I'm bringing it back to the foundation.
So this crush on you it makes you again.
So this approach I'm doing is past due.
But I heard this bubbling fact foo.
That you got you a problem with trust too.
Tired of those games, you dealt with your last dude.
I'm lustfully thinking about...
But I gotta be thinking this out...
I was thinking of taking you..
Do you wanna be going around?
Couple of spots Euphoria foun,
I promise I'm respectful.
Live in the moment of now,
I never will neglect you.
Nobody is stopping us now,
I promise I'll protect you.
Having a night in the town,
Give you something special.

[Hook]
I promise you this could be real love.
A genuine feeling that's real tough.
But the moment is thrilling and real lush.
I pray that I'm not trippin, but shorty's a real drug.
It's true.
That I'm trippin for you.
Tripping for you girl.
That I'm tripping for you.

I was debating if I possibly could.
Find a way to heart and show you that love is a good
Way to overcompensate with all the problems you dug,
Way to find out, this could be the starting of us,
Way to find peace, redefine what's in your mind, your in mine.
Please ,we could find the time to try these
Plans that I've got for us are real valid.
A way to be showing you that it ain't average.

Take your doubts making it feel stagnant.
And girl you smart , I guess I'll be Khaled.
You know that I love when you laugh.
Your beauty is making me crash.
On this train of thought that I had.
I was saying I love when you laugh.
I refra to seak the past.
Cause the future is better than that.

[Hook]

Do you know what you mean to me?
This love could appear to be,
The reason I made a scene.
I show you the realler me.
Make you smile I'm Richard Pry'in it.
And just right now, time for the violin.

Uh huh
[Violin Solo]
