

If I Can

Sammie

I wanna be the one

Ooh, if I can, baby

Yeah

Girl, I wanna be, I wanna be When I fell

I always knew that we would do well

I never thought of you of a sell-out girl

I'd give my world to you, can't you tell

I will be there? But sometimes

You throw me off and get out of line

And I can't take this feeling inside, I get

I've been into you girl for sometime

Just come by my side 'cause all I want I wanna be the one to hold you if I can

I would give you the stars above, you'll know who I am

I wanna be the one to show you, I'll make you stand

I wanna be the one, I wanna be the one if I can I'll never let you feel out of place

'Cause bein' with you, girl is an age to me

I hope this life will ever proceed

That's how we should be There'll be times

When the day when you just won't leave my mind

I'd have to say that it's a different side of me

Better than candy for free, don't believe me when I say I wanna be the one to hold you if I can

I would give you the stars above, you'll know who I am

I wanna be the one to show you, I'll make you stand

I wanna be the one, I wanna be the one if I can I wanna be the one to hold you if I can

I would give you the stars above, you'll know who I am

I wanna be the one to show you, I'll make you stand

I wanna be the one, I wanna be the one if I can My heart is open, girl

If you notice it all

Girl, the time will come when I'll be the one

With you forever more, yeah I wanna be, I, I wanna be

I wanna be, girl, I wanna be

I wanna be, I, I wanna be

I wanna be, girl, I wanna be I wanna be, I, I wanna be

I wanna be, girl, I wanna be

Wanna be, wanna be the one, babe

I wanna be the one if I can I wanna be the one to hold you if I can

I would give you the stars above, you'll know who I am

I wanna be the one to show you I'll make you stand

I wanna be the one, I wanna be the one if I can I wanna be the one

I would give you the stars
I wanna be the one
I wanna be the one, I wanna be the one if I can
