

# The Dean and I

## 10cc

Hum drum days  
And a hum drum waysHey kids, let me tell you how I met your mom  
We were dancin' and romancin' at the Senior Prom  
It was no infatuation  
But a gradual graduation  
>From a boy to a man  
Let me tell you while I can  
The soda pop came freeHey sis one kiss and I was heaven bound  
Now who would have guessed  
Milton's Paradise Lost  
Could be found?But in the eyes of the Dean his daughter  
Was doin' what she shouln'a oughta  
But a man's got to do  
What a man's got to do  
The consequence should be  
Church bells, three swells,  
The Dean, his daughter, and meThey were dating in the park  
They were smooching in the dark  
Of a doorway for two  
She whispered "I love you -  
Ooh, you know I never felt this way before  
Ooh, you know the elevator in my heart  
Has gone awol awol awol" And then I kissed her  
And when I kissed her  
It's a wonderful world  
When you're rolling in kissesNow, the paint is peeling  
Now, and when the chips are down  
Now, you kinda lose all feeling  
Now, your head goes round and round  
Round and round and round and round  
And round and round and round  
I'm throwing myself off this trainHum drum days  
And a hum drum ways  
Hum drum days  
And a hum drum ways  
Hum drum days, he's got  
Hum drum ways, oh boyHey, you know I'm really earning now  
My ship came in with a cargo of dollars  
My name's lit up on the prow

It's a wonderful world  
When you're rolling in dollars  
    Rolling in dollars  
    Rolling in dollars  
        Now
