Winslow's Lullaby

The Sweet Remains

Winslowâ€™s Lullaby

INTRO-GUITAR SOLO

VERSE
If I could wash your fears away
And walk you down to the waterâ€™s edge
Read your fortune in the stars above
If it would set your mind at ease

VERSE
I would take your hand in mine
We would sing a new song
Iâ€™d walk you home by the light of the April moon
If it would set your mind at ease

CHORUS
Lay your worries and your troubles by the front door, son
Come on in cause itâ€™s supper time
May your heartache bother you no more, son
Little child of mine

GUITAR SOLO

VERSE
If I could chase those clouds away
And turn that raining into sunshine
If I could speed the healing of your heart,
You know I would set your mind at ease

CHORUS
Lay your worries and your troubles by the front door, son
Come on in cause itâ€™s supper time
May your heartache bother you no more, son
Little child of mine

GUITAR SOLO

Darling wonâ€™t you lay with me

In these rays of sunlight
Darling wonâ€™t you stay with me
â€˜Til I know that itâ€™s all right

Yeah, all right
Yeah, all right
Sweet child, donâ€™t cry
And I will sing a lullaby
Sweet child, donâ€™t cry
And I will sing a lullaby
