I Miss You

Kyla

Thought I heard your voice yesterday
Then I turned around to say that I loved to
then I realized
and it was just my mind
playing tricks on me....It seems colder lately at night
and I try to sleep with the lights on
Everytime the phone rings
I pray to God it's you
And I just can't believe
That we're through...CHORUS
I miss you
Theres no other way to say it
And I, And I can't deny it.
I miss you
It's so easy to see
I miss you and me.....VERSE TWO
Is it done and over this time?
Can we really change our minds?
But it's our first love...
all the feelings that we used to share...
I refuse to believe that you don't care.CHORUS
I miss you
Theres no other way to say it
And I, And I can't deny it.
I miss you (I miss you...)
It's so easy to seeBRIDGE
I've got to gather my senses together
I've been through worse kinds of weather
If it's over now
be strong
I can't believe that you're gone...
I've got to carry on.CHORUS
I miss you (I miss you...)
It's driving me crazy
I don't wanna live without you.
I miss you (I miss you...)
It's so easy to see
I miss you andCHORUS
I miss you (I miss you...)

Theres no other way to say it
(And I,) And I can't deny it.
I miss you (boy I miss you...)
It's so easy to see
I miss you and me.....(I can't believe you're gone)
