Parents

Assorted Jelly Beans

Parents, why won't they shut up?
Parent's they're so fucked up.
They treat me like a tool
They take me for a fool
Parents...
They're so fucking dense
They look into the past
For future reference
Parents...
They don't even know I'm a boy
Just treat me like a toy
But little do they know
One day I'll explode!
Parents...
