

Parents

Assorted Jelly Beans

Parents, why won't they shut up?

Parent's they're so fucked up.

They treat me like a tool

They take me for a fool

Parents...

They're so fucking dense

They look into the past

For future reference

Parents...

They don't even know I'm a boy

Just treat me like a toy

But little do they know

One day I'll explode!

Parents...
