Sleep Well My Angel

We Are The Fallen

Watching you sleep for so long,
Knowing that I can't turn the rain into sun any more
I've given you all that I have,
Now I stand here, too scared to hold your hand.
Afraid you might wake to see
The monster that had to leave
'Cause you see the shelter as the storm
Holding wind to keep you on,
You are everything to me, this is why I have to leave,
So sleep well my angel.
Under the ash and the lies,
Something beautiful once here now dies,
And the tears burn my eyes,
As you sit there, all alone.
I just want to come home,
But you see the shelter as the storm,

Holding wind to keep you on,
You are everything to me, this is why I have to leave,
So sleep well my angel.
Sleep well, my angel.
I'm sorry
I'm sorry
I'm sorry
I'm sorry
You see the shelter as the storm,
Holding wind to keep you on,
You are everything to me, this is why
You see the shelter as the storm,
Holding wind to keep you on,
You are everything to me, this is why I have to leave
So sleep well, my angel.
Sleep well, my angel.
