

The Gates (feat. Sione Toki)

[Makisi](#)

it seems now days
it brings more pain
i just don't dwell
on what the people say
cause it's okay
and i realized this one day
that you'll find your way
and i'll be waiting at the gates

Hey there little fella
i know you're downing out
feel your body just ride down
and tell the world about you
strive for greatness
move along gotta get along
to move along
it won't be too long
it won't be long long long long long long
it won't be too long

It seems now days
it brings more pain
i just don't dwell on what the people say
cause it's okay
and i realized this one day
that you'll find your way
and i'll be waiting at the gates

(this is all i have so far)
