Pretty Wings - uncut

Maxwell

Time will bring the real end of our trial

One day they'll be no remnants

No trace, no residual feelings within ya

One day you won't remember me Your face will be the reason I smile

But I will not see what I cannot have forever

I'll always love ya, I hope you feel the sameOh you played me dirty, your game was so bad

You toyed with my affliction

Had to fill out my prescription

Found the remedy, I had to set you freeAway from me

To see clearly the way that love can be

When you are not with me

I had to leave, I have to live

I had to lead, I had to liveIf I can't have you, let love set you free

To fly your pretty wings around

Pretty wings, your pretty wings

Your pretty wings, pretty wings around came wrong you were right

Transformed your love into like

Baby believe me; I'm sorry I told you lies

I turned day into night

Sleep till I die a thousand times

I should've showed you

Better nights, better times

Better days, I miss you more and moreIf I can't have you

Let love set you free

To fly your pretty wings aroundPretty wings, your pretty wings, your

Pretty wings, your pretty wings around. Pretty wings, your pretty wings, your

Pretty wings, your pretty wings aroundPretty wings, pretty wings

Pretty wings, pretty wings

Pretty wings aroundPretty wings, your pretty wings around

Pretty wings, your pretty wings around
