

Just a Ride

Jem

Life, its ever so strange, its so full of change
Think that youve worked it out, then bang
Right out of the blue something happens to you
To throw you off course and then youBreakdown, yeah, you breakdown
Well, dont you breakdown
Listen to me becauseIts just a ride, its just a ride
No need to run, no need to hide
Itll take you round and round
Sometimes youre up, sometimes youre downIts just a ride, its just a ride
Dont be scared, dont hide your eyes
It may feel so real inside
But dont forget its just a rideTruth, we dont wanna hear
Its too much to take, dont like to feel out of control
So we make our plans ten times a day
And when they dont go our way weBreakdown, yeah we breakdown
Well, dont you breakdown
Listen to me becauseIts just a ride, its just a ride
No need to run, no need to hide
Itll take you round and round
Sometimes youre up, sometimes youre downIts just a ride, its just a ride
Dont be scared, dont hide your eyes
It may feel so real inside
But dont forget its just a rideSlowly, oh, so very slowly
Except that theres no getting off
So live it, just gotta go with it
'Cause this rides never gonna stopBreakdown, dont you breakdown
No need to breakdown
No need at all becauseIts just a ride, its just a ride
No need to run, no need to hide
Itll take you all around
Sometimes youre up, sometimes youre downIts just a ride, its just a ride
Dont be scared, now dry your eyes
It may feel so real inside
But dont forget, enjoy the rideIts just a ride, its just a ride
No need to run, no need to hide
Itll take you all around
Sometimes youre up, sometimes youre downIts just a ride, its just a ride
Dont be scared, now dry your eyes
It may feel so real inside

But dont forget, enjoy the ride
