Just a Ride

Jem

Life, its ever so strange, its so full of change
Think that youve worked it out, then bang
Right out of the blue something happens to you
To throw you off course and then youBreakdown, yeah, you breakdown
Well, dont you breakdown

Listen to me becauseIts just a ride, its just a ride

No need to run, no need to hide

Itll take you round and round

Sometimes youre up, sometimes youre downIts just a ride, its just a ride

Dont be scared, dont hide your eyes

It may feel so real inside

But dont forget its just a rideTruth, we dont wanna hear

Its too much to take, dont like to feel out of control

So we make our plans ten times a day

And when they dont go our way weBreakdown, yeah we breakdown

Well, dont you breakdown

Listen to me becauseIts just a ride, its just a ride

No need to run, no need to hide

Itll take you round and round

Sometimes youre up, sometimes youre downIts just a ride, its just a ride

Dont be scared, dont hide your eyes

It may feel so real inside

But dont forget its just a rideSlowly, oh, so very slowly

Except that theres no getting off

So live it, just gotta go with it

'Cause this rides never gonna stopBreakdown, dont you breakdown

No need to breakdown

No need at all becauseIts just a ride, its just a ride

No need to run, no need to hide

Itll take you all around

Sometimes youre up, sometimes youre downIts just a ride, its just a ride

Dont be scared, now dry your eyes

It may feel so real inside

But dont forget, enjoy the rideIts just a ride, its just a ride

No need to run, no need to hide

Itll take you all around

Sometimes youre up, sometimes youre downIts just a ride, its just a ride

Dont be scared, now dry your eyes

It may feel so real inside

But dont forget, enjoy the ride
