My Girlfriend

Good Morning Spider

Walk through the streets of PA and you may see her
Go up to her and say you're a believer
Disgusting trash on MTV it makes her smile
That guy from Satan's embassy put him on trial
Because, Marilyn Manson
(Marilyn Manson)
Ate my girlfriend
(He ate my girlfriend)
Satan consumed her mind
And he may do it again
Marilyn Manson
(Marilyn Manson)
Ate my girlfriend
(He ate my girlfriend)
She once believed in the truth
Now she believes in sin

She denies God when she has the chance to live for Him
The thought of it makes me cringe, her future looks dim
She'd rather gaze in Satan's eyes than on a steeple
I'm really starting to despise beautiful people
Marilyn Manson ate my girlfriend
Marilyn Manson ate my girlfriend
Marilyn Manson, he's not cool
Marilyn Manson, went to Matt Hoopes School
Marilyn Manson, he's not nice
Marilyn Manson, shows are overpriced
Marilyn Manson, Marilyn Manson, yeah
Marilyn Manson ate my girlfriend
