

# Congratulations

**Cliff Richard**

Congratulations and celebrations  
When I tell everyone that you're in love with me  
Congratulations and jublations  
I want the world to know I'm happy as can be  
Who would believe that I could be happy and contented  
I used to think that happiness hadn't been invented  
But that was in the bad old days before I met you  
When I let you walk into my heart  
Congratulations and celebrations  
When I tell everyone that you're in love with me  
Congratulations and jublations  
I want the world to know I'm happy as can be

I was afraid that maybe you thought you were above me  
That I was only fooling myself to think you'd love me  
But then tonight you said, you couldn't live without me  
That round about me you wanted to stay  
Congratulations and celebrations  
When I tell everyone that you're in love with me  
Congratulations and jublations  
I want the world to know I'm happy as can be  
Congratulations and jublations  
I want the world to know I'm happy as can be  
I want the world to know I'm happy as can be
