

# C'mon, C'mon

## One Direction

(C'mon, C'mon)

[Zayn:]

The one that I came with,  
She had to go  
But you look amazing,  
Standing alone

So c'mon, c'mon  
Move a little closer now,  
C'mon, c'mon,  
Ain't no way you're walkin' out  
C'mon, c'mon,

[Harry:]

Show me what you're all about,

[All:]

Yeah,

I've been watching you all night,  
There's somethin' in your eyes  
Saying, "C'mon, c'mon,  
And dance with me, baby."

Yeah,

The music is so loud,  
I wanna be yours now,  
So c'mon, c'mon,  
And dance with me, baby

[Niall:]

The one that I came with  
Didn't know how to move.  
The way that you let your hair down,  
I can tell that you do.

So c'mon, c'mon  
Move a little closer now,  
C'mon, c'mon,  
Ain't no way you're walkin' out

C'mon, c'mon,

[Harry:]

Show me what you're all about.

[All:]

Yeah,

I've been watching you all night,

There's somethin' in your eyes,

Saying, "C'mon, c'mon,

And dance with me, baby"

Yeah,

The music is so loud,

I wanna be yours now.

So c'mon, c'mon,

And dance with me, baby.

[Harry:]

Every step I take,

I'm feelin' more and more,

She's callin' out,

She's a lucky girl.

My heart is racin',

She's turnin' around,

I reach for her hand

And I say...

[Zayn:]

Hey,

I've been watching you all night,

[All:]

There's somethin' in your eyes,

Saying, "C'mon, c'mon,

And dance with me, baby"

Yeah,

The music is so loud,

I wanna be yours now.

So c'mon, c'mon,

And dance with me, baby

Oooh,

C'mon, c'mon

Oooh,

C'mon, c'mon

Oooh,

C'mon, c'mon

And dance with me, baby.
