

C'mon, C'mon

One Direction

(C'mon, C'mon)

[Zayn:]

The one that I came with,
She had to go
But you look amazing,
Standing alone

So c'mon, c'mon
Move a little closer now,
C'mon, c'mon,
Ain't no way you're walkin' out
C'mon, c'mon,

[Harry:]

Show me what you're all about,

[All:]

Yeah,

I've been watching you all night,
There's somethin' in your eyes
Saying, "C'mon, c'mon,
And dance with me, baby."

Yeah,

The music is so loud,
I wanna be yours now,
So c'mon, c'mon,
And dance with me, baby

[Niall:]

The one that I came with
Didn't know how to move.
The way that you let your hair down,
I can tell that you do.

So c'mon, c'mon
Move a little closer now,
C'mon, c'mon,
Ain't no way you're walkin' out

C'mon, c'mon,

[Harry:]

Show me what you're all about.

[All:]

Yeah,

I've been watching you all night,

There's somethin' in your eyes,

Saying, "C'mon, c'mon,

And dance with me, baby"

Yeah,

The music is so loud,

I wanna be yours now.

So c'mon, c'mon,

And dance with me, baby.

[Harry:]

Every step I take,

I'm feelin' more and more,

She's callin' out,

She's a lucky girl.

My heart is racin',

She's turnin' around,

I reach for her hand

And I say...

[Zayn:]

Hey,

I've been watching you all night,

[All:]

There's somethin' in your eyes,

Saying, "C'mon, c'mon,

And dance with me, baby"

Yeah,

The music is so loud,

I wanna be yours now.

So c'mon, c'mon,

And dance with me, baby

Oooh,

C'mon, c'mon

Oooh,

C'mon, c'mon

Oooh,

C'mon, c'mon

And dance with me, baby.
