Applejack

Dolly Parton

(Dolly Parton)He lived by the apple orchard in this little orchard shack
His real name was Jackson Taylor but I called him AppleJack
Now old AppleJack was loved by everyone he ever knew
AppleJack picked apples but he picked the banjo tooPlay a song for me AppleJack, AppleJack
Play a song for me and I'll sing
Play a song for me AppleJack, AppleJack
Play a song, let your banjo ringNow I'd go down to AppleJack's almost everyday
We'd sit and we'd drink applejack that old AppleJack had made
Then he'd take his banjo down then he'd ask me if I'd sing
And he would play the banjo and I'd play my tambourinePlay a song for me AppleJack, AppleJack
Play a song for me and I'll sing
Play a song for me AppleJack, AppleJack
Play a song, let your banjo ringThat's when I was just a kid and now that I am grown
All I have are memories, old AppleJack is gone
Oh but he left me his banjo and it always takes me back
And everytime I play it I still hear AppleJackPlay a song for me AppleJack, AppleJack
Play a song for me and I'll sing
Play a song for me AppleJack, AppleJack
Play a song, let your banjo ringPlay a song for me AppleJack, AppleJack
Play a song for me and I'll sing
Play a song for me AppleJack, AppleJack
Play a song, let your banjo ringPlay a song for me AppleJack, AppleJack
Play a song for me and I'll sing
Play a song for me AppleJack, AppleJack
Play a song, let your banjo ring
