

Hurry Up And Wait

Pitbull

Hes back to rip on this track
Ill rip any broad I dont care, white or black
Hes back, if Pits on da job
Then theres no need to worry
Dog, just hurry up and wait'Cuz I ain't going nowhere anytime soon
Sick what these rappers wanna be?
Thats me, times two nowGet ready for me to take over this game
Im cutting da flow, like Im cutting da cane
Things will never be da same, pause
Theres a lick for 50 bricks now pauseAnd think about it then pause
Is it really worth it then pause, pause
Fuck yeahIm ready to go, jump in da ride
Get da mask, get da gloves
Cut off da lights, pop da gat
Run inside, fireem up or tieem upBut dont forget to pick up da prize
And upgrade the [Incomprehensible]
If they dont give up da pies nowI would hate to have to calm these boys down
'Cuz to be honest I cant, so pal
Why dont you just give us da keys and pounds
Now guess what he said?Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and waitY'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and waitIve been brought up
By street cats who didnt get caught up
Like that new Jack Nino Brown at da Carter
Im da new Tony Montana
Only Im just a little bit smarterBallers, be careful 'cuz those bullets that make y'all hot
Call us, just to let us know where y'all at and what y'all got
All us, know how to take care of business
Know how to take care of snitches
Know how to take care of bitches
Know how to bag it up in ditchesMan, we're here to collect like Uncle Sam
And we don't give a fuck, we don't give a damn
But y'all don't want non, y'all don't want non
No, no, no, no, bangWe ain't playin' around, when we come through we tearin' it down
When we come through we layin' 'em down

When we come through we sprayin 'em out
You know you gotta put that "K" in his mouth
Get it later, wear it out, who ever put you onto the lick
Pay 'em out or pray 'em out Now, I would hate to have to calm these boys down
'Cuz to be honest I cant, so pal
Why dont you just give us da keys and pounds
Now guess what he said Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait Y'all want my spot? Hurry up and wait
Y'all want me to stop? Hurry up and wait
Y'all want me shot? Hurry up and wait
Y'all hurry up and wait, y'all hurry up and wait
