

# On The Mend

## Foo Fighters

One more day that I've survived  
Another night alone  
Pay no mind I'm doing fine  
I'm breathing on my ownI'm here  
And I'm on the mend  
I'm here  
And I'm on the mend my friendWake me when the hour arrives  
Wake me with my name  
See you somewhere down the line  
We're tethered once againI'm here  
And I'm on the mend  
I'm here  
And I'm on the mend my friendI'm here  
And I'm on the mend  
I'm here  
And I'm on the mend my friendWas it you?  
Sat alone  
Here we goClose and stay a while  
To take me where you go  
Single file we walk the mile  
Who's wandering back homeI'm here  
And I'm on the mend  
I'm here  
And I'm on the mend my friendI'm here  
And I'm on the mend  
I'm here  
And I'm on the mend my friendWas it you?  
Sat alone  
Here we go  
Here we go  
Here we go  
Here we go
