Death or Glory

Holocaust

I get so bored
Going nowhere...pissed off with life
Don't need no girl to hold me...
I only love my knife
When it's night
And I'm out on my own on the street
There's murder on my mindI don't hate authority...
They know I'm not all bad
I know that nobody loves me...
It don't make me sad
I'm gonna stand up
To the ones who bring me down...
Murder on my mindI can feel it now
It grows stronger every day
And my hatred grows
More and more in every waySing a song of death and glory
Sing a song of spite
Sing a song of good and evil
I'm gonna win my fight
I just want to flush the shit from the street...
Murder on my mind
