All or Nothing

Patti LaBelle & The Bluebells

When I first saw you standing there
You know it was a little
hard not to stare
So nervous when I drove you home
I know being apart is a
Little hard to bare
Send some flowers to your work an hopes
So that I will have you in my arms again
We kissed that night before I left
And now that?s something
I could never forget
You?ve got all that I need
Looking at all or nothing
Babe it?s you and I
With you I know that
I am good for something
So let's go give it a try
We got our backs against the ocean
It?s just us against the world
Looking at all or nothing
Babe it?s you and I
Looking at all or nothing
Babe it?s you and I
Let's take a chance go far away today
And never look back again
Since I said I loved you in Las Vegas
It?s never been the same since then
You?ve got all that I need
Looking at all or nothing
Babe it?s you and I

With you I know
I am good for something
So lets go give it a try
We got our backs against the ocean
It?s just us against the world
Looking at all or nothing
Babe it?s you and I
Looking at all or nothing

Babe it?s you and I
This is it nothing to hide
One more kiss never say goodbye
This is it babe you're all mine
Looking at all or nothing
Babe it?s you and I
I know that I am good for something
So let's go give it a try
We got our backs against the ocean
It?s just us against the world
Looking at all or nothing
Babe it?s you and I
With you I know that
I am good for something
So let's go give it a try
We got our backs against the ocean
It?s just us against the world
Looking at all or nothing
Babe it?s you and I
Looking at all or nothing
Babe it?s you and I
Babe it?s you and I
It?s you and I
