

I Adore You

Caron Wheeler

Being with you is amazing.
Affection you display does the right thing to me.
Your special touch is a rare one in this day.

One of a kind you are to me
sweeter than wine will ever be.
One on one we can be free.
That is why I can't help but adore you.
I adore you.
I adore you.
I adore you.

Warming my soul to the center,
making me realize that my heart you've entered
Taking my hand as you guide me into your

One of a kind you are to me
sweeter than wine will ever be.
One on one we can be free.
That is why I can't help but adore you.
I adore you.
I adore you.
I adore you.

Vision of life laying here beside me.
Diamond in the raw glowin'
oh, so brightly, knowing who I am
and believing in who you are,
we surrender our love to the highest star.

I adore you.
I adore you.
I adore you.
I adore you.
