

# No Company Town

## U.S. Bombs

On Saturday night  
When I was born  
Down on the farm  
    Guitar plinkin'  
And we started drinkin'  
Till the break of dawnAbout twelve o'clock  
    Everything get hot  
Up steps George Jones  
    We started clappin'  
    And he started singin'  
A sweet little country songBo Weevil, Bo Weevil  
    Where have you been all day?  
    Your Mama been lookin'  
    Had to stop cookin'  
Since you went awayBo Weevil, Bo Weevil  
    Why did you go and stay?  
    You'll get a lickin'  
    As soon as I'm seated  
On a bale of hayOn Saturday night
