

# Shake Sumpthin'

## Field Mob

Run it  
Yo, you know what I'm sayin' it's the original Papparue  
(Original original)  
And I'm passin' through with my boys from Down South  
(Down south)  
The Field Mob  
(Field, Field)  
And also I'm bringin' this for all the girly girly's  
(Must bring it)  
Who like to shake it at the club  
(Shake it, shake it)  
Who like to twurk it at the club  
(Twurk it, twurk it)  
And you know something this is how we rub-a-dub  
So Field Mob, come down  
I met this fine young tender named Vivian  
Brown-skinned cinnamon, playin' and pimpin' men  
Swimmin' in Benjamins  
Body like a Buick bumpin', jumpin' and jigglin'  
Butt look like big lips talkin' and whisperin'  
Sayin' and her voice so feminine  
Either her booty talkin' or my Hennessey kickin' in  
I smile, give a grin, grab that butt with both hands  
Man she moved it over and started hunchin' my Jimmy then  
See, I'm gon' hit her then switch up and stick her friend  
I'm skinny built like a spoon, they grits I'm diggin' in  
I don't be spendin' ends but they gon' givin' chin  
They lick it and kiss it then say  
They pagin' and beepin', beggin' for me to come hit again  
I'm pimpin' plenty women, game stronger than twenty men  
Damn lil' momma proper halter top and knee-knockers  
But before I freak the senorita she gotta  
Me say shake somethin'  
Me wanna see you twurk somethin'  
Lil' momma work it like she 'bout to hurt somethin'  
Me say shake somethin'  
Me wanna see you twurk somethin'  
Lil' momma work it like she 'bout to hurt somethin'  
Shake somethin'

Me wanna see you twurk somethin'  
Lil' momma work it like she 'bout to hurt somethin'  
Me say shake sumthin'  
Me wanna see you twurk somethin'  
Lil' momma work it, work it, work it  
I know a shawty, they call her Shellette, I wanna holla at  
Dark skinned chocolate, plus shawty drop a 'llac  
Big breasts are proper set, her game, she on top of it  
She break big ballers that'll infrared dot ya head  
Micro's and contacts, ooh, I wanna knock her dead  
Vicky Secret scents in the air, why I want her pop her leg  
I heard in the streets that shawty give lots of head  
Good hot my mouth too, have you jumpin' up out the bed  
And plus shawty rock baguettes, chickens wanna chop her head  
Off 'cause she jazzy with more cheese than broccoli  
We on the dance floor, from side to side she rockin' it  
Toot it up and stoppin' it then droppin' and poppin' it  
She said "Ooh, you on hard" I had to stop and check  
Pants pokin', I knew then her number I gotta get  
Tipsy off of Heineken ready to shake some  
Shawty flexa, time to have sexa  
Me say shake somethin'  
Me wanna see you twurk somethin'  
Lil' momma work it like she 'bout to hurt somethin'  
Me say shake somethin'  
Me wanna see you twurk somethin'  
Lil' momma work it like she 'bout to hurt somethin'  
Shake somethin'  
Me wanna see you twurk somethin'  
Lil' momma work it like she 'bout to hurt somethin'  
Me say shake sumthin'  
Me wanna see you twurk somethin'  
Lil' momma work it, work it, work it  
Look a big booty girl  
But I bet her rock me world and me say big booty girl  
Diamonds and pearls  
Big booty girl  
But I bet her rock me world and me say big booty  
Me want a big booty girl  
Big booty girl  
Me rock her world and me say big booty girl  
Like diamonds and pearls  
Big booty girl  
And when she rock me world and me say big booty  
Big booty girl

Me say shake somethin'  
Me wanna see you twurk somethin'  
Lil' momma work it like she 'bout to hurt somethin'  
Me say shake somethin'  
Me wanna see you twurk somethin'  
Lil' momma work it, work it, work it  
Me say shake somethin'  
Me wanna see you twurk somethin'  
Lil' momma work it like she 'bout to hurt somethin'  
Me say shake sumthin'  
Me wanna see you twurk somethin'  
Lil' momma work it, work it, work it  
I like the ones with the weave  
The thong-th-th-thong-th-thongs and Capri's  
You can come home with me if you a girl on them six-inch heels  
Or a black blonde with the natural and gold in yo grill  
Earring in yo tongue, you dark and you lovely  
Fine from yo heels up, but yo toes ugly  
Plus it ain't bubbley, the back part  
I ain't actin' hard, but you ain't touchin' me  
Look, them tight Capri pants be fittin' her right  
But her booty is much bigger, so that's what I like  
I know a lot of shawty's out there sayin' that's not right  
But she the jazziest and that's what I'ma take home tonight  
A me say, I know a little girl by the name of Suzy  
She look so sweet and she really sexy  
I go home and she take off my shoe  
Say "Ohh Paparuby, let me make love to you"  
On top my mind, me say "My, my, my"  
The woman on top of the woman is a lesbian  
But the Ruby on top of woman it's a stylin' fashion  
Stylin' fashion, it's a stylin' fashion  
Give me a big booty girl  
And I bet her rock me world and me say big booty  
Ah  
Me say big booty girl  
And I bet she rock me world and me say big booty girl  
Big booty girl  
You, you know what I'm sayin'  
This the original crew  
(Original)  
And all the big booty girls passin' through  
(Pass through)  
You this for you and you  
(What)

This the original Paparue  
(Yeah-yeah)  
You know what I'm sayin' with the Field Mob  
And we doin' this especially for the club  
How you mean  
Big booty girl  
Let her rock me world, down  
Look, Paparue, Field Mob  
Yeah, yeah, how you mean
