

# No Waves

## FIDLAR

I feel, feel like a cokehead,  
I feel, feel like I can't get drunk no more,  
'Cause I'm on the floor,  
Looking for some action just to cook up the score.

I feel, feel like shooting up,  
I feel, feel like giving up on my skateboard,  
'Cause I'm fucking bored,  
I wanna perfect life down sunset shore.

I feel, feel like a crackhead,  
I feel, feel like I'm not gonna make it no more,  
'Cause I'm on the floor,  
Just pick me up and give me some more.

I feel, feel like I'm a grandpa,  
I feel, feel like I'm already 80 years old,  
And my skin so cold,  
I need a new body and I need a new soul.

I feel, feel like getting drunk,  
I feel, feel like fucking up my life,  
So yeah, gonna call my friends,  
I hope we'll make it til the end.

I feel, feel like shooting up,  
I feel, feel like I can't get laid no more,  
'Cause I'm on the floor  
Just looking for some action just to cook up the score.

I feel, feel like a cokehead,  
I feel, feel like I can't get drunk no more,  
'Cause I'm on the floor,  
Looking for some action just to cook up the score.

I feel, feel like shooting up,  
I feel, feel like giving up on my skateboard,  
'Cause I'm fucking bored,  
I wanna perfect life down sunset shore.
