Soul Of A Man

Bruce Cockburn

I'm going to ask the question
Please answer if you can
Is there anybody's children can tell me
What is the soul of a man?(CHORUS:)
Won't somebody tell me
Answer if you can
Won't somebody tell me
Tell me what is the soul of a man?I've traveled different countries
Traveled to the furthest lands
Couldn't find nobody could tell me
What is the soul of a man(Chorus)I saw a crowd stand talking
I just came up in time
Was teaching the lawyers and the doctors
That a man ain't nothing but his mind(Chorus)I read the Bible often
I try to read it right
As far as I can understand
It's nothing but a burning light(Chorus)When Christ taught in the temple
The people all stood amazed
Was teaching the lawyers and the doctors
How to raise a man from the grave(Chorus)
