To Be Free

Tonight Alive

Don't come looking for me
I just want to be free
So don't come looking for meI don't wanna be found
I just wanna run away
and learn to be free
No No NoGo Go GoMy eye watch it burnPoint out no return
Will I ever learn
(No No No)
Come in over me
Since I've urgency
Think it's time to leave
(Go Go Go)
And I feel like I could flyDon't come looking for meI don't want to be found
I just want to be free
So don't come looking for meI don't wanna be found
I just wanna run away
and learn to be free
Find it over groundI am swallowed whole
The eath takes my home
So adventure happened
they drift the past away from me
I will never compromise again
(No No No)Cause I feel like I could flyDon't come looking for me
I don't want to be found
I just want to be freeSo don't come looking for me
I don't wanna be found
I just wanna run away
and learn to be freeNo No No 3Ã—
To be free 2xI just want to rund away
and learn to be free
I'm limitless
I'm limitless
I'm limitless
I'm limitless
...
Don't come looking for me
I don't want to be found
I just want to be free
So don't come looking for me

I don't wanna be found
I just wanna run away
and learn to be free
To be free
To be free
I just want to run away
and learn to be free
